

*Comprehensive course covering all Title IX requirements to promote **respectful, inclusive, healthy relationships.***

This employee training course will empower each staff member individually and also give employees the knowledge and understanding to promote faculty and staff as advocates to work directly with students.

Consent & Respect Staff includes everything that the student training has, in addition to modules on trauma-informed care for survivors and forensic questioning. The course covers crucial concepts of consent, healthy relationships, bystander intervention, sexual assault, intimate partner violence, stalking, and survivors.

Consent & Respect Staff will enable your campus to meet the training requirements for the Campus SaVE Act, VAWA, and Title IX for employees.

LEARNING OUTCOMES

*After taking **Consent & Respect Staff**, the employee will know:*

- The importance of giving and receiving consent
- Student, staff, and faculty rights under Title IX
- Ways to empower students in the decision-making process
- Ways to avoid re-traumatizing a survivor of sexual assault
- Safe and positive strategies for bystanders to use in potentially violent situations
- Campus-specific support services for survivors of sexual violence
- Strategies to protect themselves from partner stalking, including cyberstalking
- Facts about sexual assault among college students
- Definitions for consent, sexual assault, domestic and dating violence, and stalking
- Warning signs of abusive behavior in intimate partner relationships
- The role of men as advocates against sexual violence
- The differences between clinical and forensic questioning
- How to create a safe environment for survivors
